Nevada City Nugget

VOLUME II, NUMBER 52 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA, THE COUNTY SEAT PAPER NOVEMBER 12, 1928

MINE CANDIDATE WINS ASSEMBLY SEAT IN A WALK

A triumphant march over his competitor was scored by Jerrold L. Seawell in the assembly election last Tuesday. With the handicap of running independent against a Republican nominee, all party lines were thrown aside as the votes rolled up a handsome majority of 836 votes in Nevada county in order to put friends of the mining industry at Sacramento. The majority was a handsome tribute to "Jerry" and we predict that he will make a wonderful record as assemblyman.

Seawell carried 33 out of the 44 precincts in the county by majorities running well over 100 in some of the precincts. Both Nevada City and Grass Valley did nobly, Nevada City showing a majority of 397 while Grass Valley rolled up 433 to the good .The Truckee contingent went to the bat heavily for the incumbent as was expected but valiant work was done there in cutting down the size of the opposing vote.

Placer county about balanced up its vote so that the Nevada county vote was about the deciding factor. Roseville with its heavy railroad vote was the deciding factor. Roseville with its large railroad vote and the organization back of the incumbent made an uphill fight there. The Placer county newspapers with one exception lined up with the incumbent which put Seawell at a disadvantage but his personal popularity showed to good effect.

TRS. AMANDA RAPP HAS ANSWERED SUMMONS

Mrs. Amanda J. Rapp, relict of the late John A. Rapp, passed away Thursday at her Sacramento street home after a brief illness. She had caught a cold while returning from San Juan Basista where she had been visiting. She was a native of Oregon and was 77 years of age past.

More than a half a century ago she taught in Potter Valley in Mendocino county and last year attended a reunion given by former residents of that county. She came to Nevada City more than 40 years ago and married. Surviving is one son, George Rapp, of Susanville, an adopted daughter, Mrs. Edith Solari, and two brothers, Win Elliott of Medford, Oregon and William Elliott of Stockton.

Mrs. Rapp was widely respected for her many virtues. She was an ernest member of the Methodist faith.

Mr. and Mrs. George Neagle left for Oakland yesterday to send the Armistice holiday with their son George.

Mr. and Mrs. Jack Grenfell of Sacramento were up to spend the weekend with her sister, Mrs. Wm. Davey.

Mr .and Mrs. Bradley Legg came up from Berkeley Saturday, bringing with them Mrs. Mary Rossen who had been visitin gthere.

Fred J. Joubert and Mrs. Acton M. Cleveland of Camptonville were here Thursday.

Miss Ruth Grimes of Sacramento visited her mother, Mrs. M. Grimes, over the week end.

Among those motoring to Woodland Thursday to attend the Episcopal church convention were, Mrs. W. G. Richards, Mrs. D. E. Bleakley, Mrs. J. A. Hanson, the latter of Grass Valley, Miss Alice Tredinnick and Miss Helen Searls.

W. E. Watters came down from Gaston for a short visit during the last week.

Mr. and Mrs. Lewis Davidson have had as a guest their daughter, Miss Erla, who is attending business college in Richmond.

In the mass of information given out by The Nugget on election night, was a mighty array of figures from all over the country. It might be stated that the telegraph company was fortunate in having an old time newspaper telegrapher on the wire to transcribe the figures as they came in, in the person of E. M. Lewis, local manager, who could doubtless tell many a story of his earlier days in the game.

MINING LOCATIONS ARE PLACED COUNTY RECORD

The following are the mining claims filed for record the past week.

Big Bend No. 1 placer claim in Quaker Hill Mining District by F. J. Nash, J. L. Coyle, Amy C. Aubury, A. Adams, Eric Lyders, J. W. Homer, Wynn M. Pond and John E. Pond

The same parties have also located the Bib Bend No. 2 placer claim in the same district.

HOOVER STARTED CAREER AT THE REWARD MINE

The Reward mine in Nevada City, which is one of the properties in the Western Mines Consolidated negotiations, was the scene of the first "job" of Mr. Herbert Hoover, the President-elect.

Recently in recalling the matter, Mr. Hoover stated to a fellow engineer that he had received $2.00 a day and when he was not manipulating a transit, he was pushing the ore car on the surface. He recalled with a great deal of satisfaction his relations with the Nevada City camp and among other things he recalled that he made a survey of the workings of the Mayflower mine which is not far from the Champion in this district.

Mr. Hoover roomed in the former Joe Fleming house when he was working here and there are a number of people about town who remember Mr. Hoover well.

CITY OF SIX MINE HAS INTERESTING HISTORY

The story of the City of Six mine in Sierra county has prompted the following in a Sacramento paper:

The City of Six is the original of a mine described in Canfield's book, The City of Six, which purports to be an historical narrative of the early mining days in Sierra county. According to the Canfield version, four strangely assorted men of the gold rush days became partners at the City of Six, and for a time dug out big returns. Romance and tragedy are interwoven. While names are fictitious, the leader of the partners is purported to later have figured as one of the Comstock magnates.

The story tells of the payshoot being lost and the disintegration of the partnership. During the later years many attempts were made to rehabilitate the property, but it has never regained its historic importance.

ENGELBRIGHT EXCHANGES MESSAGES WITH HOOVER

One of the telegrams reaching President-elect Herbert Hoover early on the day following election was from Congressman Harry L. Englebright, who filed his message over The Nugget leased wire at 12:30 a. m. and read as follows:

Hon. Herbert C. Hoover,
Palo Alto, California.

Nevada City, the locality of your first mining experience rejoices over your election. Allow me to extend my personal hearty congratulations on your wonderful victory.

Harry L. Englebright,
M. C. Second California District.

Only a few hours afterwards came this telegram from Mr. Hoover:

Palo Alto, Calif., Nov. 7, 1928.
Congressman Harry L. Englebright,
M. C. Second California District,
Nevada City, Calif.,

I deeply appreciate the word of congratulation and encouragement which you send me.

Herbert Hoover.

WILBUR FARRELL HAS CLOSE SHAVE FROM SHOT

While driving to work Friday afternoon Wilbur Farrell had a close shave from being struck by a stray bullett which clipped his windshield passing close to his body. He was driving along the high school campus at the time. It must have been fired from a house. No clues were obtained as to the origin of the shot. There is a penalty for discharging firearms within the city limits.

RICH ORE FOUND KENNEBEC MINE ON SITE OF MILL

While blasting out the mill site for the new mill at the Kennebec mine near Lake City, a vein of fine milling ore was cut into which aver ages 3½ feet wide. The vein has been uncovered for a distance of 200 feet up the hillside from the spot where picked up and shows strong characteristics of being a strike of large proportions. Pannings taken show strong colors.

It had been intended to erect a Huntington mill to handle the development work but the present strike may cause the erection of a small stamp mill instead.

The Kennebec which is owned by the Paine brothers is one of the promising properties of the district.

POWDER EXPLOSION AND BURNS KILL ARNOLD UNGER ON YESTERDAY

Arnold Unger died at the Nevada City Sanitarium at 10 o'clock last night as the result of burns received from a powder explosion and fire at the old Norton house on the road leading from Pine Grove cemetery to Deer creek. The brother lies at the county hospital in a serious condition.

....The two boys in prowling around the place the past week had found some powder stored there and it is presumed that yesterday afternoon they went out and set it off. Sheriff George Carter who was investigating an auto accident at the Marsh lumber yard in midafternoon, heard several explosions and noticing smoke, rushed to the Norton place to find the house in flames. The boys had fled the place with their clothes on fire. Arnold was found with his garments burned off and his skin a crisp a short time later. Buck Jones was one of the rescuers and helped to get the boys to medical attention.

MRS. ERNEST ANGOVE CROSSES THE DIVIDE

The untimely passing of Mrs. Ernest J. Angove the past week brought a wave of sorrow over this community which has gone out to the bereaved family. The young wife and mother, who was suddenly snatched from life, was tenderly laid to rest Wednesday afternoon from the Holmes Funeral Home, the services being private. The services were conducted by Rev. H. H. Buckner. The many floral offerings were mere testimony of the high esteem in which she was held in the community.

Deceased was the daughter of Mr. and Mrs. John Curnow of Tyler, a sister of Horace A. Curnow of Nevada City and Mrs. E. B. Dudley of North Bloomfield. She was a member of the Eastern Star and the Native Daughters. Surviving are the husband and three young children.

Mrs. Nellie Veale has as a visitor her daughter, Mrs. Carl Ivey of Chico.

Miss Florence Corcoran left Friday to spend several week's visiting relatives in Bakersfield.

C. E. Wofford, newspaper publisher of Santa Cruz, was a Nevada City visitor Friday evening.

Dan Powers and M. M. Coughlan motored down from the Twin Sisters mine to cast their vote Tuesday.

Mr. and Mrs. R. A. Barnes have returned from San Francisco. He recently underwent an operation at the Letterman general hospital and is making a good recovery. His brother, who has had charge of his barber shop in his absence, returned to his home in San Francisco.

Mrs. Fred Deal is reported as recovering from a recent sick spell. She is at the Nevada City Sanitarium.

Anton S. and Victor E. Buck came down from their home at Orleans Flat Wednesday on their way to the Buck Brothers ranch near Lincoln.

Mrs. M. Grimes and family have as a guest, Miss Mary Golden of Sacramento.

ANCHO TO START MILL SHORTLY ORE IS BLOCKED

Mining operations are expected to commence at the Ancho mine at Graniteville in the next two weeks after a long period of preliminary work devoted to the rehabilitation of the surface works in preparation for the winter run. The 10 stamp mill is almost ready to commence work.

Underground operations will consist of drifting and crosscutting and running two stopes. A fair amount of ore is already blocked out for milling. A crosscut is to be run in an attempt to pick up another oreshoot believed to exist. The main drift is in good ore at the present time and will be continued.

Supplies are in for the winter and mine timbers accumulated. The water power system is ready to begin turning the wheels at any time and things will be humming at this property. Between 20 and 25 men have been employed for the past six weeks getting things in readiness. A large crew will be employed throughout the winter.

The Ancho is under option to the Yellow Tiger Consolidated. Gordon M. Bettles is secretary and general manager.

HANDSOME VOTE IS FOR OUR CONGRESSMAN

The handsome complimentary vote given Congressman Harry L. Englebright throughout his large district is evidence of the high esteem in which he is held by his constituency. He has been receiving many commendatory remarks for the splendid vote given him. He is easily one of the outstanding legislators sent to Washington from the Pacific Coast and his political sun is far from reaching its meridian height, in fact great things are possible in his future career.

EDDY AND ROBERTSON WIN FOR SUPERVISOR

One new face will appear on the board of supervisors with the election of Alex Robertson of Hobart Mills over Charles Hope of Truckee in the fifth district. There was a 30 vote margin.

In the first district Richard A. Eddy, the veteran on the board with sixteen years of experience behind him was reelected over Frank Davies by a 26 vote margin, the first precinct in Nevada City proving the deciding factor. Willow Valley also turned in a strong majority for him.

BENEFIT MUSICALE FOR THE METHODIST CHURCH

A benefit musicale will be given at the Methodist Church next Thursday evening commencing at 8 o'lock, that will be a genuine treat to music lovers. It is being arranged by Mrs. Gove C. Celio and Mis Minnie Brand and the program will include many artistic numbers that it will be a pleasure to hear. A small admission charge has been made and the proceeds go to the church.

SPORTSMANLIKE?

In the recent campaign a statement was generously circulated by papers friendly to the incumbent assemblyman that it was unsportsmanlike for anyone to run independent after the Republican nomination has been secured. Now for ages past it has been deemed quite sportsmanlike for the loser to congratulate the winner in an election. Has anything like that been done in the assembly race? Not that anyone could hear. Isn't it a great layout for the friends to have to swallow that their candidate was built on such lines that she couldn't extend a greeting to her opponent? Haw haw, it is to laugh.

Mr. and Mrs. John Hobarth of Marysville attended the funeral of her sister, Mrs. Ernest Angove, which was held this week.

COMPRESSOR INSTALLED AT THE TWIN SISTER

The new compressor at the Twin Sister mine at Snow Point is to be put into service late this month. The work of installation is proceeding rapidly. The water line for supplying the Pelton wheel is in place. Plenty of water is available for power.

With machine drills hammering away at the remaining tunnel work to be done, important developments may be looked for at an early date. There is liklihood of striking an important ledge in the next few feet according to present indications.

Winter supplies are going in and eight to ten men will be regularly employed throughout the winter completing the tunnel and getting ready for large time operations. A new mill is to be set at the adit to the No. 3 tunnel where a site has been cleared and the road will be completed to the mill.

President R. O. Foster went up Friday to the property for an inspection trip, returning to Ukiah yesterday.

STATE MINERAL DISPLAY IS FOUND IN BASEMENT

One of the first acts undertaken by Assemblyman Jerrold Seawell has been the initiating of steps to rescue from the basement of the Crocker Art Museum in Sacramento, a splendid mineral collection owned by the State of California and valued at $13,000. The collection was dumped in the basement when the floor became unsafe and it has there since languished.

It is proposed by Mr. Seawell to have it installed on the first floor of the capitol building in the old library wing where exhibits are to be installed. The mining section of the Sacramento Chamber of Commerce Friday passed resolutions commending the movement to put the exhibit where it can be seen. There is a possibility that it may be placed in the corridors of the capitol extension building.

It will prove an excellent advertisement for the mineral resources of California and shows that Mr. Seawell is proposing to give our mining interests a little attention.

AUTOIST HITS A BUCK GIVEN COUNTY WARDS

Cecil Hegarty run into a deer Saturday night about two miles south of Grass Valley, with his machine, called up game warden O'Connor and the sheriff's office who took charge of the carcass and turned it over to the county hosiptal and the inmates will have a feast this week.

Gove C. Celio donated a number of ducks to the county institution and superintendent Dick Rodda has been serving up some real feasts for the patients.

J. R. Elwin and S. P. Bachels came down from Goodyears Bar and spent a few days here.

Ben Preston has so far recovered from a recent serious sick spell that he was able to come down town for a few hours Friday.

Sam McCullough of North San Juan attended to business affairs here Monday.

William Reynolds and bride are back from their honeymoon. They will make their future home in this city.

Mr. and Mrs. L. E. Armstrong came up from Oakland Monday. He returned but she ramained to be with her mother, Mrs. Stenger, who is sick.

James Hamilton came down from Graniteville Tuesday to vote in the final election of November 6th.

William Harry is home from Emigrant Gap, where he has been engaged in trucking.

A machine load of fellows bumped into the Tobiassen car coming out of the lumber yard yesterday afternoon with slight casualties to the cars.

A. P. Ridge, who served at the statistics desk of The Nugget on election night, a member of the firm of W. R. Jefford & Son, is an old hand on the telegraph key and his services on handling the figures as they came in on the bulletins was largely complimented.

FINANCING DONE WESTERN CONS. SAYS DISPATCH

Word has been received from New York that the financing of the Western Mines Consolidated, Inc., project has been accomplished and the active operation of these properties is expected to be soon undertaken.

The plans include a drainage and haulage tunnel along the Orleans vein system nearly 4 miles long which will make accessible nearly twenty proven veins. The tunnel starts on Deer Creek at the Champion Mine and its ultimate objective is the Banner Mountain Mines. The company was arranged about six years ago with A. D. Foote, of Grass Valley, as president, but for various reasons was unable to obtain adequate capital to proceed with its plans. In May of this year Kirby Thomas of New York took an option on the control of the Company and arranged for the financing with a strong Eastern group.

The plans which call for the utilization of the Providence drain tunnel are among the most ambitious advanced in many years for the development of the rich Nevada Basin district lying just south of Nevada City and taking in a portion of the townsite. The drain tunnel will open up a rich gold belt of proven value four miles long and two miles wide. It now extends to the Reward shaft and will tap the Banner section at a depth of about 1200 feet.

The plans of financing the concern will be watched with a great deal of interest as it will take a large sum to properly open up the workings which are practically virgin territory.

ELECTION RETURNS BY NUGGET COMPLIMENTED

The efforts put forth by The Nugget to supply a complete and satisfying election news service to its friends seemed to be thoroughly appreciated as there was a constant throng in and front of the office well into the street from four o'clock election afternoon and until 2:30 in the morning to read the bulletins as they were posted up on the windows. Between 500 and 600 bulletins were posted and with statistics being compiled as fast as they came in made it easy to furnish a fast service on the returns, local and national.

Both A. P. Ridge and the publisher put in nearly twelve hours of straight work on handling the returns and with Congressman Englebrihgt on the national returns made it possible for hundreds of voters to keep in constant touch with the situation. The leased wire telegraph service proved a valuable adjunct and with telephone connections with each precinct in the county brought in the county vote fast.

The radio returns over the Atwater Kent receiving set furnished by Charles W. Leiter of the Nevada City Garage brought many admiring comments. The new lantern type of aerial was the object of many questions.

Many compliments have been showered on this paper for its service on election night and many remarked that it was the finest service that had ever been rendered in Nevada City on such an occasion. The part that the publisher likes so much is that our people have been so nice to express themselves personally on our efforts.

BRIDGE AFFAIR GIVEN FOR FRANCIS HOGAN'S FIANCEE

A delightful bridge luncheon was given Saturday afternoon by the Misses Catherine and Ruth Hogan, honoring Mis Lois Wilcox of San Francisco, fiancee of Mr. Francis Hogan. The party was given at the National Hotel and a pink and blue color scheme was used for the decorations. Prize winners were Mrs. R. F. Werner, Mis Iris Murchie and Mis Evelyn O'Connor.

R. E. de Bertodano, prominent mining man, stopped over night here Friday and left Saturday for the Oakvale Placer mine near Steep Hollow, in which he is interested.

COZY CORNER CHAT

THE ELECTION of Jerrold L. Seawell is a crowning accomplishment in the effort being made by The Nugget to rehabilitate the gold mining industry n Nevada county. The election was largely made possible by the people realizing that the future of this county is irrevocably bound up in the mining of gold, and their willingness to get behind the movement to send people to Sacramento and to Washington who will realize that fact and make possible its rehabilitation. With the richest gold area in California, if not the world, a section which has produced in years past nearly a billion dollars worth of the precious metal, Nevada county will stand forth in years to come as the center of the industry which made of California a name renowned around the world for its mines and its mineral wealth. We must have legislators however who will help to bring this about. Without legislative action the mining industry will be sadly handicapped. Sending mere vote getters to represent us will merely hold us back until we come to our senses. Seawell by his winning personality has endeared himself to our district already, although before the campaign he was practically unknown. It is safe to predict that he will make good at Sacramento with a vengeance and if our senator will work in cooperation, the two can accomplish great things for our section of the state. A new day is dawning in Nevada county. The people are coming to realize new ideals. A vision of what the future can bring to us is already coming to be realized as new mines are opening up, new capital coming in to develop our vast mineral resources. The Nugget is happy to have its part in this movement. It is proud that it is bound to no clique, no faction. It is untrammeled in its editorial opinions. It owes allegiance to no corporate interest. It is entirely owned and controlled by the two names who appear at ts masthead on this page, and no other. It hopes to continue thus, fighting the people's battles and working with them for the uplift of this county.

SEAWELL CAN DO a great deal of good for the county which made it possible for him to achieve distinction in the political arena. The handsome majority given him is proof of the fact that the voters had decided that it was time to make a change in the assembly and get some action in their behalf. It was a marvelous accomplishment to see him roll up such a splendid majority in the face of entrenched vote getting ability. Our people did not care to be beguiled by any more such fancies as had been lulling them to soporific slumber for some years past and they smote such sort of talk with a resounding thud that has been heard all over the state. Had Jerry been in the primary fight it would have been over at that time with possibly an even larger vote in his favor. The people of this county have had to take The Nugget's word that Jerry was alright and would make good on the job. He will.

Judge F. A. Austin of Alleghany was a week-end visitor here.

FRENCH CORRAL ITEMS

FRENCH CORRAL, Nov. 10, (Special to The Nugget)— We hardy know where to begin our "items" this time, for we have been so interested in the coming election, and its outcome has been such a keen disappointment, that we have hardly recovered from the shock ere our week is up. While many of us are filled with regret that our splendid presidential candidate has been turned down we shall not lose heart altogether but can now turn our attention to the work that is our share to perform.

We are very thankful for the bounteous rain given in the past week. Already we are turning green, but not with envy. No, not we, but our pastures and hillsides, and as Fr. Ricard forecasts a pleasant November, we know it means full and plenty, for the herds that go by almost daily. The stockmen are still bringing their cattle from the mountains. When we stop to think of the thousands of dollars in value that over our roads daily we do not feel that we are such back numbers even if we do live in an almost deserted mining town.

We have many visitors, anyway, and your correspondents do not begin to get the names of all.

Miss Louise Moulton, who teaches the North Bloomfield school was home to spend the week's end with her parents and also home for election day.

Mr. J. McCullough of North San Juan has been working on the new house og W. E. Moulton.

W. P. Clerkin came down from Pike City on a business trip this week.

W. E. Moulton had business in Marysville Saturday.

Thos Hall of Birchville was a Sunday visitor.

Mrs. A. Browning, Miss Nelly Sullivan and Mrs. K. Sullivan made a trip to San Juan Sunday.

The regular meeting of the S. J. R. W. A. was held in San Juan Sunday afternoon. Altho the attendance dance was small a very interesting meeting was held. Our chairman, Sam McCullough, reported that they expect to finish the repair work within two weeks unless they meet with some unlooked-for handicap. They have met with so many such, since they began the repair work that it has been most discouraging. Our chairman, Sam McCullough is truly to be commended for his untiring efforts in our behalf. We surely could not find another to fill his place.

A. Browning and L. Stegman were hauling hay to Rough and Ready Tuesday.

Joe Swazey came down from Tyler Tuesday to vote. He has been working for R. Phelan and will spend a few days in French Corral.

Miss Lucy O'Connor of Sacramento is visiting at her old home in Birchville. Her sister, Miss Katie O'Connor, had a fall Tuesday, in which she severely sprained her right arm at the wrist.

Mr. A. Browning, who served as judge on the election board made a trip to Nevada City Tuesday morning to convey the election returns to the court house.

The many friends of Adolph Weinman are grieved to hear of his death. He was one of our own boys having been born and raised on the San Juan Ridge and was a man, who was beloved by all who knew him. Our deep sympathy is extended to the members of his family.

T. G. Thornton of Yakima, Washington was in Nevada City Saturday.

Mr. and Mrs. William Treglown and Joe Tredinnick attended the funeral of the late Jesse A. Nickerson which was held in Sacramento.

F. R. Dunn of San Francisco spent Thursday night here and left Friday for the Oakvale Placer mine near Step Hollow.

Alvin C. Richards visited his mother in Berkeley recently.

CLEMENS BOOSTS FOR NEVADA COUNTY SCENES

Another visitor was entranced with Nevada county's scenic setting the past week when Earl L. Clemens, editor of the Terra Bella News, who had traveled over 3,000 miles of California's far flung distances the past few weeks stated to The Nugget that he had not found a prettier section of California in his recent travels than in and about Nevada City and Grass Valley.

Mrs. W. E. Wright spent a few days visiting her daughter, Miss Eugenie, who is attending school in the bay region.

John T. Black went to Reno Monday to consult a doctor.

Why Suffer From Head Colds? Use

VAPURE

A wonderful new inhalent for relieving the discomfort of head colds and nasal catarrh.

Based on a new principle. A few drops on a folded cloth or handkerchief and inhaled frequently gives quick, satisfying relief.

You must try VAPURE to appreciae its marvelous action. Obtainable only at the REXALL Store.

NORTH SAN JUAN JOTS

NORTH SAN JUAN, Nov. 10, (Special to The Nugget)—Mr. and Mrs. C. E. Cleveland passed thru town enroute to Camptonville one day this week.

Mrs. Paul Mathews of Meadows was a visitor here recently for a few hours.

Mr. and Mrs. Bain Crawford of Weed are visiting Miss Loretta Bortsch at Moonshine creek.

Francis and Thomas Bortsch have returned from Napa where they have been working.

Mrs. Fred Develey of Grass Valley passed through town enroute to Alleghany one day this week.

Mr. and Mrs. Bert Davison of the Snow Point mine were through town this week.

Charles Bortsch and Jack Lee were in Nevada City one day this week.

Adolph Weinman passed away at his home in Alleghany Wednesday night. Death was due to miner's consumption. We all wish to express our deepest sympathy to the entire family. Mr. Weinman was born and raised in North San Juan and his multitude of friends from far and near will be grief stricken to learn of his death.

Mrs. Acton Cleveland, Fred J. Joubert were visitors here Thursday.

Carmel Reader and Mrs. F. Wood, Ernest Collins and Mrs. F. Reader were visitors from Sweetland Tuesday afternoon.

Clark Brown of Downieville was in town Wednesday night enroute to Downieville.

Frank Harris and George McCullough were county seat visitors this week.

Mr. and Mrs. J. Monroe of Sacramento were here looking after their property early this week.

Mrs. J. J. McCullough spent a day visiting in Nevada City this week.

William Lacklin paid a visit to the county seat this week.

Ernest Collins went to Alleghany Friday to attend the funeral of the late Adolph Weinman.

Harry Browning of French Corral was through town one day this week enroute to the upper country.

CAMPTONVILLE PERSONALS

Mr. and Mrs. Levi W. Turner and family have moved from their home at the Oak Valley Saw Mill to Weeds Point where they will reside this winter.

Ed Johnson, manager of the P. G. & E. of Marysville and Supervisor W. J. Mellon of Challenge, were at Bullards Bar Friday on an inspection visit.

Chester U. Hanson, who spent the summer at Marysville, left there a short time ago and is now in the state of Washington.

Sheriff Chas. J. McCoy and Deputy Phil Wilcoxin of Marysville were in town on official business Friday.

Mrs. Kate Hope Livingston left Friday for Marysville to attend a meeting of the County Board of Education of which she is a member.

Fred J. Joubert, James L. Joubert, and Mrs. Acton M. Cleveland motored to Nevada City Thursday to have some dental work done.

Forest Ranger Frank W. Meggars made a business visit to the Red Ledge country Thursday.

Arthur H. Deal came down from Bald Top mine Thursday morning.

Mr. and Mrs. James Taylor and two sons arrived Monday on a short visit to Mrs. Taylor's mother, Mrs. G. B. Cassano at Oak Valley, they drove down from Castella where they are living at present.

Mr. and Mrs. Fowler of the northern part of the state are visiting Mr. and Mrs. W. H. Wayman at Pike City.

Mr. and Mrs. Laurel C. Ruff returned to their home at Yuba City Tuesday after spending a couple of days here.

Mike Denike of North San Juan was in town Monday.

Mrs. Eugene H. Hays and son, Calvin, left Monday for Browns Valley on a short visit to Mr. Hays mother.

Mr. and Mrs. Earl L. Cleveland left Tuesday for Sacramento after spending a few days visiting here.

Mrs. William Lang moved into their home at the garage Wednesday from Oak Valley.

Sheriff Chas. J. McCoy and Deputy Phil Wilcoxsin, of Marysville, arrived in town Friday evening and took into custody Joseph Allison, who has been living on a mining claim below town. He has been acting queer of late and has made threats against some of the people of this section, and it is not safe to the people of this district to have any such characters as residents. Allison lived here only at odd spells during his life, usually working on some mining claim. Three years ago he was arrested and sentenced to 90 days in the county jail for attacking John L. Sullivan while at work on his claim

SMARTVILLE HAPPENINGS

SMARTSVILLE, Nov.10, (Special to The Nugget)—Such beautiful autumn days we are having at this time,—even with the rain, it is pleasant to motor to the nearest towns and cities, as the roads are splendid for traveling and the autumn colors and holly berries along the way are a joy supreme, both as a feast for our eyes and to gather their clusters for home decoration. We are also reminded that the time for Thanksgiving draws near, and Christmas just a few weeks away, when absent ones will be planning to return to old homes and scenes to join their loved ones and friends for the sake of memories and bygone-days, which those two holidays always offer for such joys of the past.

Mike and J. Laughlin and Wm. Vizzard passed through here this week with their cattle, on their way to their winter range at Bangor.

Asa Fippen and A. Rigby are grading the Marysville-Wheatland road, and getting it in fine shape for winter travel.

W. Washburn, San Juan stage driver, comes to the postoffice every morning singing in his genial, happy way, "Business is picking up now".

Wm. Beasley is laid up with a sore hand, having been badly bitten by a dog.

Wm. Freeman of Marysville was in town yesterday.

Mr. and Mrs. Tim McKenzie of Marysville visited at the home of Mr. and Mrs. W. Newbert last Monday night.

Mr. and Mrs. Boice of Marysville visited with friends here last Monday evening.

Mr. and Mrs. J. Quinkert and Mr. and Mrs. W. Douglas visited in Marysville last Sunday.

Ole Strand made a business trip to Marysville today.

Mr. and Mrs. C. E. Colling visited friends in Grass Valley on Thursday evening.

Supervisor George Campbell of Pike City was re-elected over his opponent at Forest City in Tuesday's election. Although it is not in this county, the community was glad to see George win again.

Miss Elsie A. Hanson left Thursday for Sacramento on a short visit.

Albert Jaynes had the misfortune of breaking his thumb Wednesday while at work.

George T. Wayman of Pike City was in town Thursday.

Mrs. Claude J. Thompson and Miss Helen Hanson made a visit to Nevada City Thursday.

GRASS VALLEY PERSONALS

Mrs. John Rhoades of Marysville is visiting here for a short time.

Frank Richard of Auburn visited relatives here Tuesday.

L. W. Leek of Colfax was a business visitor here Wednesday.

Dave Binkleman and Henry Richards visited in Marysville Sunday.

Ed Hunt was a business visitor in Sacramento Monday.

GRASS VALLEY PERSONALS

Alfred H. White, who was recently hurt in the Idaho-Maryland mine and contracted pneumonia, passed away at his home in Grass Valley Wednesday. Funeral services were held Friday afternoon, Rev. Peter Ruf officiating. The firm of W. R. Jefford & Son were in charge of the arrangements.

SAIL ON, SAIL ON!
THOU SHIP OF STATE

The election is over. The majority have decided. In the United States that means that everyone will accept the decision with the feeling that the best man has been elected and that we are all for him, regardless of party affiliation.

Now the country will get down to business once more, focussing its attention on a continuance of the prosperity that has marked the past several years. Under the direction of the able leader who has been chosen ,there need be no fear for the future of our great Republic, the greatest the sun shines upon.

It will be just as essential to have a savings account if one expects to share in the good things that are in store for all the people of the United States, because prosperity comes to those who are in a position to meet it.

The time to start a savings account is NOW!

THE NUGGET INDOOR SPORT COLUMN

JACKSON LOUIE HITTERS STILL TOP THE LIST

Si Jackson's aggregation of loui e hitters amassed four points Thursday night off the Mobley crew who were slightly off their feed when it came to mowing down the pins. Already the weaker teams are howling for a realignment of the teams which will produce more sport and make the race a little more evened up.

Too many of the team members are not getting out for the tournament which takes a great deal of edge off the play as handicap scores do not win games. The play has progressed far enough to determine team lineups that will make for close play and with the dead wood eliminated should make a tournament that will keep up intense interest throughout the winter.

Mobley and Percy Carr both took quite a slump in their individual averages for the week's play while Bob Carr showed an astonishing spurt with the high individual score and high three game score. He throws a wicked ball when it is working right and is a regular pin mower.

The Schriebers are up and coming in second place and promise to be crowding the top rank regularly as they have three shooters on the aggregation that are always dangerous.

The scoring for this week's play is as follows:

MOBLEY

Mobley	155	121	152	428

BASKET BALL GAMES ARE PLAYED AT LINCOLN

Friday night the Nevada City "A" and "B" teams journeyed to Lincoln to play the latter's quintets. The home teams took the short end of both scores, but the games were so well played that no one need feel ashamed of the results. The "A" teams, especially, put up a battle that was exciting from start to finish and our boys are to be highly complimented upon their splendid showing. The observers considered the game played by the local boys to be one of the best; if not the best, ever participated in by any Nevada team.

Every fellow played so well that it is almost impossible to consider who were the "stars".

The "B" game was played first and the final score was 28-11. The line up and points were:

Forwards L. Wasley, Hieronimus (4)
Center ..... Hoskin (3)
Guards ..... Beegle, Sbaffi
Subs: A. Janes (4), James, Randall.

The fast and furious "A" game resulted in a score of 28-25. The board at half time read: 19-9. The second half belonged to the local fellows and due to their efforts they gathered 16 points to their oppenents 9. The line-up and score:

Forwards ..... Evans (5)
..... Brisebill (8)
Center ..... Pierce (8)
Guards ..... Hogan, Skeahan (4)
Subs.: ..... Huson, White, B. Janes.

Hogan played his first real competitive game last night and he earned the reputation of "playing like a well-seasoned veteran." He should show up well in all our future games as he has the size and ability of a first class guard.

The game was cleanly payed and the excellent sportsmanship of the Lincoln quintets was appreciated and admired by the locals. Our boys are winning the respect of all outside teams and cities by their very good and sportsmanlike playing. A feather for Nevada City's cap, the writer would say.

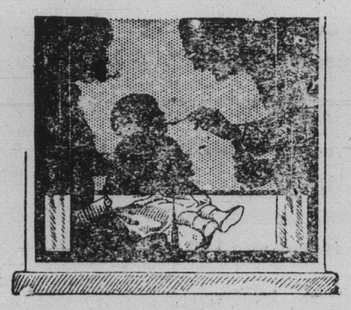
Return games will be played in Nevada City sometime in December and they should prove to be very interesting.

Where the diagnosis of disaster is human frailty the perscription must be human charity.

We see where a lion was recently run over by a motor car in Central Africa. He must have been walking on the wrong side of the equator.

A citizen was bemoaning the loss of his car. "Why don't you report the matter to the sheriff?" asked a friend. "Why, hell; he's the one that took it."

Opportunity is the only knocker that anybody welcomes.



In 5 MILLION HOMES TONIGHT

A host of babies will enjoy sound sleep tonight. And their parents will have unbroken rest. Castoria is the cause of this contentment in a multitude of homes.

Good old Castoria! Children cry for it. Mothers swear by it. Not a household where there is an infant should ever be without it. A few drops of Castoria quiet Baby in a perfectly innocent manner. It is natural slumber that follows. Castoria is a purely vegetable product. No opiates. No narcotics. Of any kind.

Now you know why trained nurses give Castoria as often as an infant is ailing, or even restless. And why doctors tell mothers it is the first and only home remedy when Baby has constipation, colic, diarrhea, or other upset. It is made for babies, and safe to give babies, and other things are not.

Fletcher's Castoria is "old-fashioned" if you count its fifty years, but it's an old-fashioned mother, nowadays, who worries along without it. Twenty-five million bottles bought last year! Think of the number of mothers who rely on Castoria! All these mothers can't be wrong! To keep a bottle in the house is a precaution you owe your little one.

Children Cry for Fletcher's CASTORIA

BOSTON RAVINE COLTS CLEAN UP C TEAM

Nevada City high school's "C" team (with hlep of other team subs.) played against the Boston Ravine Colts in the regular Grass Valley Community Basketball League game and lost by a score of 18-10 on Friday night.

Considering the difference in size of the two competing teams, the locals did exceedingly well.

The "A" team played at Lincoln so the midgets were sent to Grass Valley under the leadership of Mr. Kjorlie of the high school faculty.

Tamblyn, Macari, Sandow, Baker, Davis, Cicogni, Davey and Murchie played during the game.

MARIPOSA MINING

There are strong indications that the mining industry is on the eve of a strong revival. In recent weeks there has been much greater interest shown in the mining department of the various Exchanges of the Country with shares of the larger mining companies moving into higher ground. In Canada also there has been great activity, the past year establishing a new record for mining investment in the Dominion.

Since the close of the World War the mining industry has had a struggle to get back on an economical basis. The war closed many fine properties owing to labor shortage and high operating costs.

A general survey of the situation today however, shows that recovery has been steady with every prospect of continuing. There is greater activity now in the leading mineral districts than there has been in the last fifteen years.

Renewed interest is being shown in the great gold mining reources of the State of California as shown in the reports from the various mining counties. The opportunity for successful operation of many properties is attracting the attention of outside capital.

In Mariposa county greater activity and interest is being shown. Modern treatment processes, improved engineering practice and more plentiful power is drawing attention to many properties.

Among important recent developments at Mariposa is the announcement that important Eastern financial interests have taken control of the old Fremont Grant which contains many good properties. These interests plan to throw the Grant open to leasers and also in tend to operate some of the old producers which are known to contain good values at depth and can be profitably operated under modern conditions.

The new National Highway to Yosemite and recent construction and improvements by the San Joaquin Light & Power Co., are contributing strongly to a revival of mining activity in Mariposa county.

Adolph Franzini, formerly a business man of Truckee, passed away in Oakland the past week as the result of injuries when struck by a street car.

The supervisors went to Washington Friday to inspect the new bridge across the South Yuba river just completed by the Miners Foundry.

Roseville is to get the next money out of the Memorial Building Fund of Placer county sponsored by the American Legion. On the vote Supervisor Charles Geisendorfer of Colfax who got th efirst handout of money voted in the negative.

It might be interesting to learn how China came to require so enormous a copper coinage before street cars were invented.

We noted a stockingless girl the other day wearing calf skin shoes to match. Now we're wondering if that old girl with the snake hips will be wearing snake skin shoes to match.

A man who marries for money generally continues to be a yes man

Christmas Excursion East

Low holiday fares will be on sale December 17, 18 and 19. Return limit January 19.

Example of roundtrips from main line points:

WOODS ARRESTED ON CHARGE OF TAKING CLERKIN CATTLE

PIKE, CALIF.,—William Clerkin recently had Gordon Woods arrested in Sierra county for an alleged stealing of a cow and calf which belonged to Clerkin, final hearing which will take place at Downieville has not yet taken place.

The case has attracted considerable attention, many are trying to ascertain just which county, Sierra or Yuba, the alleged crime is supposed to have taken place in, at any rate, the Sierran officers are handling it.

Maybe some all-wise intelligence is responsible for chess not being in the large headlines: Imagine putting "Capablanca Beats Boguljubow" into 48-point type.

HOME..... or just a house?

PRIMITIVE man no doubt called his shelter "home," be it cave or roof of boughs. Today, though, home means so much *more* than just a house—telephone, radio, hot and cold water and electric lights with convenient outlets, and all those modern conveniences which make for healthful, comfortable living.

Your friends will tell you that EXTENSION TELEPHONES save steps and time and increase the comfort of living far more than the trifling cost involved.

Just call our Business Office and say, "I want an extension telephone."

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

Electric rates REDUCED

With new rates and the use of our improved type of lighting fixtures (ceiling, floor or table lamps), customers will combine economy and beauty with good lighting and eliminate harmful glare and gloom.

Electric Heating Less

Where Domestic consumers use two or more lamp socket appliances, such as: percolator, iron, toaster, heater, waffle-iron, etc., our new Domestic rates apply.

Now 3½ to 1½ cents per kilowatt hour

Our local representatives will gladly assist you in the selection of the best type of electric appliance suited to your needs. If you have not sent in your application for the new domestic rates, do it today.

EDITORIAL

Student Body government was established in the Nevada City high school in 1916. That year the students put up a big fight to secure a form of student control. For several years, and, I think, up until the last two or three years there has been a great deal of spirit in the student body; but in the last few years there has been no spirit shown whatever. What has happened to this school spirit? If the classes before us have made the student body a success why can not we do it?

If we were to lose the student body government now, we should lose many of our privileges, our organizations, and our good times. We should be under the supervision of a teacher at all times and could develop no qualities of leadership.

Just recently an amendment was passed by the student body stating that a class could not be organized if eighty per cent of its members had not paid their student body dues Why did the student body pass this if it did not want to abide by it? There has been only one class whose members have paid so that it can exist as an organized body.

The student body has done only about three or four things that have been worth mentioning. It has inaugurated a plan whereby we can have student body parties every month. We have had two of them so far and they haven't been much of a success. Also we have entertained the visiting debating team from Manteca and financed the basketball team so that they could get new suits.

I believe that if we will all cooperate to develop student body government, we can do much toward developing school spirit, personal initiative, the honor spirit and student control.

ARMISTICE PROGRAM

At two-thirty o'clock Friday, November 9, at the Nevada City high school, an Armistice Day program was observed. A musical program was rendered under the direction of Mr. Kjorlie. The program was opened by "America", which was sung by all the students, followed by several other selections.

Mr. Kjorlie talked to us about the World War. As the majority of the students were quite young during the World War, Mr. Kjorlie could tell us a great deal about the war that we did not remember.

Next we were entertained by Mr. Isensee and Buddy Roberts, the former taking the part of a ventriloquist with Buddy as his assitant.

The program was closed by singing "The Star Spangled Banner".

DEBATING

Mr. Isensee has decided that the high school debating team will not enter the Central California Debating League for the next debate .This decision was made because of outside activities and lack of facilities. We shall probably, though, debate early in the spring. We are very proud of the showing made by our debaters. Although our team lost, the debates were very close in both cases.

Mr. and Mrs. Henry Struckman are spending a vacation in Oregon and Washington.

Harold George went to Sacramen-

Emil Abadie, mining man, came over from Crescent Mills to spend the week-end visiting.

The many friends of Mrs. Fred Foote will be pleaser to learn that she is showing improvement from a recent sick spell.

W. F. Carr, right of way engineer of the Pacific Telephone and Telegraph Company, was here from Sacramento, this last week.

SOPHOMORES

School spirit is very much lacking in the sophomore class. To have a meeting, eighty per cent of the class must pay their Student Body dues. Only thirteen have paid so we need fifteen more. We would like to have a meeting to talk over our class affairs and our coming party. Sophomores, pay your dues!!

NEVADA CITY WINS

The Nevada City high school "A" basketball team won from the De Molay team of Grass Valley in a close game, Wednesday night, played at Grass Valley. The game was well played, and ended with a score of 27-14. This game was one of the series, preparatory for the conference games.

MANAGERS PLAN GAMES

George Noyes and Pierson Tuttle athletic managers of the Nevada City high school,, travelled the state last Monday to schedule basketball games.. Games were obtained with Lincoln, Marysville, Part Time High, Sacramento, and some other schools, maybe—

Below is a resume of the journey by Pierson Tuttle and "hi-lites" on the trip by George Noyes.

RESUME OF JOURNEY

Left Nevada City 7:45 a. m. Arrived at Roseville 8:45. Saw President Hoover and then went out to Roseville High. Coach Earle gave no satisfaction, but arranged one game with Mr. Hansen.

Left Roseville 9:30. Arrived San Juan 9:45. Coach Edwards said games could be arranged late in the season perhaps.

Arrived at Part Time High Sacramento at 10 a. m.. Saw coach, who said he would put Nevada City games up to his teams. As "Spud" Murphy is one of the boys, we expect favorable action.

Arrived at Davis at 11:20. Saw Mr. D. M. Maclise, who gave us a very farovable report upon our getting back into foot-hill league again next year. Also ate at Terminal Cafe in Davis.

Arrived at Woodland and found that the shortest way to Yuba City was "via rowboat". Were forced to go to Yuba City via Arbuckle, 50 miles longer. (Killed turkey at Grimes).

Arrived at Yuba City 2:15 p. m. but could get no satisfaction.

Arrived at Grilley at 3:10 p. m. This school owes us a game from last year, but the coach seems to have a poor memory. Little satisfaction—

Arrived at Marysville at 4:10 p. m., Coach Pater, a very nice fellow, showed us all through the new "gym" and gave us one game. (Got lost here).

Arrived at Lincoln at 6:10 p. m. and went to Coach Lee's residence. He was a very likable man and we arranged two games, one for Friday, November 9.

Arrived in Auburn 6:50 and dined at Auburn Coffee Shop.

Arrived at Nevada City at 7:51 p. m. Pacific Standard time.

THE ELECTION

It's all over now, and the question which has stood foremost in our minds for the last few weeks is answered. The effect of Mr. Hoover's election to presidency was quite noticeable, as not a little arguing took place, and a great number of purses were reduced to the last penny. However, everyone showed good spirit and we are again united as one Student Body, instead of a unit with divided opinions. One thing which might be termed a miracle occured; a small child after collecting his bets was seen having his golden locks shorn.

GRASS VALLEY PERSONALS

Mr. and Mrs. Ernest Gale, William Tremewan and Harold George were among those who attended the concert given by Sousa's band last Friday in the Sacramento municipal auditorium.

Miss Dorothy Hooper came up from Auburn and spent the week-end

Harold and William White came up from San Francisco to visit their brother, Alfred, before his passing. They remained over until after the funeral.

Raymond Nolan of San Francisco spent a week here with his brother, Harold.

HI-LITES ON TRIPS

Total casualties—one turkey.

Total expenditures—Seven dollars. eighty-five cents ($7.85).

Total receipts—one napkin (monogramed, one tooth pick holder, tooth picks; one salt shaker, complete with salt; one silver spoon, and one cream bottle; also sundry articles of food stuffs, crackers, butter, pickles, etc.)

A few of the high spots of our memorable journey are as follows: we drove over a culvert at a rate of speed sufficient to save about fifteen feet of wear on the tires(it's true anyway). We picked a turkey clean, or so it seemed by the amount of feathers that covered the country side succeeding the sudden and lamentable decease of forementioned fowl.

Although we hesitate to reveal the following incident yet we are prompted by the irreproachable truth in all our statements heretofore. We became lost in the teeming metropolis, Marysville. Our greatest amusement on the journey was afforded us by the sight of the Gridley varsity holding a snappy workout against six scrubs and the coach. The varsity had an awful time completing a criss cross. It seemed they always made a slight error and handed the ball to the opposite team.

Our brakes held on the road between Lincoln and Newcastle (how come we're writing this now).

Mr. Isensee was right. A visitor here would most surely be shocked at our behavior. We were at the schools that we visited.

WHY TEACHERS GO MAD

Mr. Pedersen: "What is the name of the small fish that clings to the sharks side?"
Vivian: "A hypocrite."

Miss Whelan had just finished a lengthy discussion explaining why a certain sentence was absolutely wrong when Genevieve raised her hand to ask: "Miss Whelan, is that sentence wrong?"

JOKES

Mr. Pedersen: "Luther, what is the other name for 'rabies.?"

Luther(thinking he was in civics): "Habaeus corpus."

Bill: "Mummy, isn't that monkey like grandpa?"

Mother: "Hush, darling! You musn't say things like that!"

Bill: "But the monkey can't understand can he mummy?"

Milton Masters: "I think this school is haunted."

Addison: "Why?"

Milton: "Because the principal is always talking about the school spirit."

Byron: "Now sugar—"

Flossie excitedly): "Yes, yes—"

Byron: "Certainly goes well with coffee."

Cecelia: "I just adore dark men."

Lois: "You'll have a big time in Africa."

Miss Hoffman:"I suppose when you grow up you will want to do something for humanity."

George Noyes: "Yes, I want to be a bad example."

Miss Hoffman: "Carroll, how did Ophelia drown?"

Carroll: "She fell in the water."

Mr. Kjorlie: "Isabelle, what was the Mayflower Compact?"

Isabelle (absently): "It was a face powder."

GRASS VALLEY PERSONALS

C. E. Landsburg was in Grass Valley Thursday from North Bloomfield.

Mr. and Mrs. J. E. Taylor have returned from Portland, Oregon. They brought Miss Marian Taylor home with them She has just returned from a European trip.

Mrs. Olive Paine had as a guest her brother, Roy Paine, of Stanford University.

Wendell Kallenberg went to Alleghany Sunday to attend to some mining business.

Howard Bennetts went to San Francisco and returned with Mrs. Bennetts who had spent several weeks there visiting. Mr. and Mrs. J. C. Williams accompanied him.

Mr. and Mrs. S. M. Wolford have as a visitor, Mrs. F. W. Craig of Ashland, Oregon.

Mr. and Mrs. Frank Edwards of Lincoln spent Sunday here visiting relatives.

Mr. and Mrs. Irving Sims motored to Tu[illegible] Sunday and visited relatives.

GRASS VALLEY PERSONALS

E. C. Hunt and J. R. Kneebone were business visitors in Sacramento to Friday.

Mrs. Ruth Kemp, sister-in-law of Mrs. Alfred White, came up to spend a few days here visiting.

J. A. Jenkins of Oakland is here spending his vacation visiting among old time friends.

Mrs. William White of San Francisco is spending a short time here visiting relatives.

Henry Mattley of San Francisco spent a couple of days last week in Grass Valley.

Mrs. Ella Mounday of Marysville came up to be with here sister, Mrs. Alfred White.

Mr. and Mrs. Ray Perrin and family of Sacramento visited here Sunday.

Eugene Cleveland had as a visitor Leslie Coats of Virginia City, Nevada.

Mr. and Mrs. J. A. Curnow left Tuesday to visit in San Francisco for a short time.

W. C. Body has had as avisitor his brother, Mark, of Santa Rosa.

LEGAL NOTICE

NOTICE

CONTROLLER'S DEPARTMENT)
State of California

To the Tax Collector of the County of Nevada, State of California,

WHEREAS, a deed or deeds conveying to the people of the State of California the title to the property hereinafter described having heretofore been filed in the Controller's office of the State of California;

AND, WHEREAS, said deed or deeds recite the fact that said property hereinafter described was sold to the people of the State of California for the non-payment of State and county taxes;

AND, WHEREAS, five years have elapsed since the date of said sale, and no redemption, according to law, has been made of said property, or any part thereof;

NOW, THEREFORE, in pursuance of the law in such case made and provided, I, RAY L. RILEY, Controller of the State of California, by virtue of the authority in me vested by the laws of this State, do by these presents authorize, empower, and direct you, the said Tax Collector, to sell at public auction, in separate lots or parcels ,the property hereinafter described.

The property above referred to, and hereby authorized to be sold, is situate, lying and being in the County of Nevada, State of California, bounded and particularly described as follows, to-wit:

Property sold to the State June 25th, 1909 for the delinquent taxes of 1908:—

In Cherokee, Lot 2, Block 3.

In Cherokee, Lot 3, Block 2.

Partial Deed No. 96.

No bid shall be received or accepted at such sale for less than the amount of all the taxes levied upon such property, and all costs and penalties for every year delinquent as shown by the delinquent rolls for said years and also all tax liens up to the date of the execution of the deed to the State, together with interest at seven per cent per annum and also the graduate redemption penalties required under Section 3817 of Political Code computed upon the aggregate amount of the taxes for each of said years from the first day of July following delinquency to the date of the sale hereunder, and all expenses accrued to the date of the sale under this authorization.

Said sale shall be conducted in all respects as provided for by law governing such sales.

GIVEN under my hand and seal of office, at Sacramento, this 29th day of October, A. D., 1928.

RAY L. RILEY,
Controller.

SEAL)

By Clarence H. Smith,
Deputy.

SALE OF REAL ESTATE BY AUTHORIZATION OF CONTROLLER.

(Under Section 3897 of the Political Code.)

Date of Sale December 1st, 1928.

How to Play BRIDGE

Series 1928-29 by
Wynne Ferguson
Author of "PRACTICAL AUCTION BRIDGE"

Copyright 1928, by Hoyle, jr.

ARTICLE No. 1

There are two objections to a bad bid other than the fact that such a bid is unsound from any point of view.

In the first place, the partner of the player who has made a bad bid is apt to misconstrue the bid and thus base his subsequent bidding on a false foundation.

Second, the player who makes the bad bid is apt to be influenced himself by the fact that he has given false information to his partner and is, therefore, duty bound to correct the mistake. This belated repentance for his bad bidding often is far more costly than the initial mistake. Here is a hand that illustrates the folly of making a bad bid and then of later trying to correct the mistake when there is no real necessity for doing so:

Hearts — K, J, 9, 7, 6, 3, 2
Clubs — none
Diamonds — 8, 7, 2
Spades — A, J, 10

	Y	
A		B
	Z	

No score, rubber game. Z dealt and passed, and A passed. Y has a "freak" type of hand but one that should not be bid third hand. He should be only too happy to pass out the hand if B also passes. If B should bid, Y has a strong hand to bid on the second round and thus be able to give his partner exact information as to the nature of his heart suit.

Y, however, was one of those players who like to bid and cannot resist doing so, especially with seven or more of one suit. He bid one heart, B passed, Z bid two diamonds, and A bid three clubs.

Y, feeling that his heart bid might have fooled his partner, bid three hearts. B bid four clubs, Z passed, and A passed.

Y now decided that he ought to help his partner's diamond bid, even though his partner had passed as dealer. Y bid four diamonds, B bid five clubs and Z doubled. A passed.

Y now began to repent his bad original bid and feared that Z was doubling five clubs depending on top hearts in Y's hand. As Y didn't have these top hearts, which his original bid had indicated, he decided that he ought to bid five diamonds. This bid was doubled and defeated three tricks.

If Y had not made his bad original bid, he would not have made the second mistake of taking his partner out of the five club double which they could have defeated two tricks. The net result of Y's two mistakes was a loss of 500 points for himself and his partner.

Don't make bad bids but, if you do, don't make another mistake by trying to wiggle out. Take your medicine and try to learn not to do it again.

Here is a hand that is a happy contrast to the one just described:

Hearts — 7, 5
Clubs — A, K, Q, J, 10, 9
Diamonds — A, 6
Spades — K, Q, 4

	Y	
A		B
	Z	

No score, rubber game. Z dealt and bid one no trump. Most players with A's cards would have doubled or have bid two no trump; but not A, a very clever player. He realized that he had a big hand and that one of the best ways to make it give the maximum results was to pass and await developments. Y passed and B bid two hearts.

Z now bid two spades and A was ready for him. B's bid of two hearts had just made his hand so he had no hesitation in bidding two no trump. Y passed and B bid three diamonds. Z passed and A now felt perfectly safe in bidding three no trump. Y and B passed and Z doubled. A again showed his caliber by redoubling. He was rewarded for his courage by making five odd, game and rubber.

It always is interesting to watch clever play and bidding, and the following test hands are good illustrations:

Problem No. 1

	Y	
A		B
	Z	

Hearts — 9, 8, 4
Clubs — 10, 9, 7, 6, 3
Diamonds — J, 7
Spades — A, K, 6

No score, rubber game. Z dealt and passed. A passed and Y bid one club. B bid one diamond, Z bid two clubs, A passed and Y bid two hearts. If B now bid two spades, what should Z bid? An analysis of this hand will be given in the next article

Hearts — none
Clubs — K, Q, J
Diamonds — A, 7
Spades — none

Hearts — none	Y	Hearts — Q, 7
Clubs — 9, 7, 5		Clubs — 10
Diamonds — Q, 9	A B	Diamonds — J, 10
Spades — none	Z	Spades — none

Hearts — A, 9, 8
Clubs — none
Diamonds — K, 6
Spades — none

Hearts are trumps and A leads the five of clubs. How can Z so play the hand that he can win the balance of the tricks against any defense? An analysis of this hand will be given in the next article.

Game Warden Ray O'Connor. has been moved from Grass Valley to Los Banos.
